

CONDITIONS OF CONTRACT

The current Conditions of Contract are to be applied to the provision of services and goods described here as offered by Anteco Systems S.L., (henceforward, ANYTECH365), whose Spanish tax ID number is B-93311710 and whose business address is Ctra. Nacional 340 km 189, Edif. Los Pinos núm. 3. Málaga, Marbella, Spain, Postcode 29660, to individuals or legal entities (hereafter, THE CLIENT) who wish to contract the services and acquire the goods described in the current conditions of contract.

The acceptance of the current Conditions of Contract implies the creation of a contract between ANYTECH365 and THE CLIENT

ONE. - PURPOSE OF THE CONTRACT

Through the acceptance of the current contract, both parties agree to interchange the following obligations:

ANYTECH365 commits to:

- Deliver the *AnyTech365 SecureRouter* (hereafter also referred to as “the router”) to the address indicated by the CLIENT with the features described below.
- Provide an electronic information encryption service that enables the router provided and to maintain its software updated.
- Provide a remote technical service to assist the client with the installation and activation of the router.

- Make a monthly payment, once the initial 3-month period is over, of 19.95 euros plus VAT*. This payment will be made automatically each month until the contract is cancelled.

*The Value Added Tax (VAT) will be applied as the agreement proceeds in accordance with European regulations and Spanish tax regulations and those of each Member State.

TWO. - WITHDRAWAL AND CANCELLATION OF THE CONTRACT

The right to withdraw

THE CLIENT will have the right to withdraw from contract without any justification for a period of 14 calendar days from receipt of the router at the specified address and the activation of the service.

In the event of withdrawal from the contract, the client should send an email to claims@anytech365.com clearly stating their wish to end the contract within the stated period of 14 calendar days. Once the request has been sent, the client should return the router by post to the following address:

Encroute AB
Elsa Brändströms gata 52
129 52 Hägersten
Sweden

Once the router has been received at the above address and checked that it is in the same condition as it was when it was received by THE CLIENT, the returns process to THE CLIENT will be carried out within a period of 14 days.

If the router is found to be in good condition, a full refund will be made to THE CLIENT, including the costs accrued by THE CLIENT for sending the router back, the details of which should be sent by email to claims@anytech365.com.

In the event that the router is found to be damaged, a corresponding deduction will be made to the value of the refund to allow for repair of the router.

Termination and cancellation of the contract

Either of the contracted parties can request the termination of the contract in the event of non-compliance with any of the obligations stipulated here by the other contracted party by sending an email to claims@anytech365.com, in the event of non-compliance by ANYTECH365 and to the email provided by THE CLIENT in the event of non-compliance by them.

THE CLIENT can request the cancellation of the monthly encryption service at any time by sending an email to claims@anytech365.com before the automatic monthly renewal is produced.

THREE- DATA PROTECTION

THE CLIENT gives their consent for ANYTECH365 to manage the personal data that they have provided and for this to be included in files which are processed automatically and manually with the aim of making use of the data for carrying out the current contract as well as the carrying out all types of analyses and personalised or segmented studies, and/or for the promotion of products, and/or services related to the company purpose of ANYTECH365, as well as for sending advertising emails in accordance with Article 21 of Law 34/2002 on Information Society Services.

THE CLIENT has the right to access the files that contain their personal data and which are being processed by ANYTECH365 for the purpose of exercising their rights of access, rectification, portability, cancellation or objection, under the terms and conditions stipulated by the Organic Law on Data Protection and the General Data Protection Regulation. This should be done by sending an email to dpo@anytech365.com and attaching a photocopy of your national identity document.

THE CLIENT understands and accepts the ANYTECH365 privacy policy that can be found on the website www.anytech365.com

FOUR. - COMMUNICATION

Unless anything else has been expressly proposed, all communication and notifications that need to be made between the contracting parties relating to the current contract will be carried out by email. In particular, THE CLIENT should direct their communications to legal@anytech365.com and ANYTECH365 should direct their communications to the email address provided by THE CLIENT during the contracting process.

The client agrees to maintain this email address active and not to modify it. In the event of its modification, they should advise ANYTECH365 of this fact so that it can be considered for the appropriate purposes.

FIVE. - APPLICABLE LEGISLATION AND JURISDICTION

The current contracting conditions are governed by Spanish legislation. The Courts and Tribunals of Malaga will be the competent authorities to be made aware of any litigation raised by the contents of this contractual agreement.
